

Your Trusted Global Logistics Partner

Company Profile

At Aim Logitrans Private Limited, we believe logistics is more than transporting cargo—it is about delivering confidence, reliability, and business continuity.

About Us.

Moving Cargo. Building Long-Term Partnerships.

At Aim Logitrans Private Limited, we believe logistics is more than transporting cargo—it is about delivering confidence, reliability, and business continuity.

With expertise across international freight forwarding, customs clearance, transportation, project logistics, and supply chain solutions, we help importers and exporters move goods efficiently across global markets.

Our experienced team works closely with every client to understand their shipping requirements and provide customized logistics solutions that minimize delays, reduce costs, and ensure complete compliance.

Whether it is a single shipment or end-to-end supply chain management, Aim Logistics becomes an extension of your business, delivering excellence at every stage of the logistics journey.

Mission & Vision.

MISSION

To become one of India's most trusted logistics partners by delivering innovative, reliable, and customer-centric supply chain solutions across the globe.

VISION

Our Services

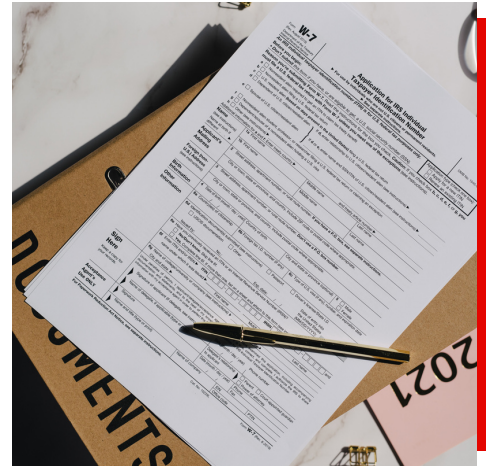

International Freight Forwarding

Efficient air and ocean freight solutions designed to move cargo worldwide with speed, safety, and cost efficiency. Through our global partner network, we provide flexible shipping options for imports and exports across major international trade routes.

Customs Clearance

Our customs specialists ensure smooth import and export clearance by managing documentation, compliance, and regulatory requirements, reducing delays and ensuring faster cargo movement.

Transportation

Reliable domestic transportation solutions connecting ports, airports, warehouses, and customer locations with timely deliveries and complete shipment visibility.

Warehousing & Distribution

Secure warehousing and efficient inventory management solutions designed to streamline storage, packaging, and last-mile distribution.

Project Logistics

Expert handling of oversized, heavy-lift, and project cargo with customized transportation planning, route surveys, and specialized equipment.

Supply Chain Solutions

End-to-end logistics management including procurement support, multimodal transportation, warehousing, customs, and distribution under one integrated solution.

What Sets Us Apart

GLOBAL NETWORK

Reliable overseas partners across major countries.

ON-TIME DELIVERY

Focused on speed, accuracy, and reliability.

TECHNOLOGY DRIVEN

Shipment tracking and proactive communication.

COMPETITIVE PRICING

Optimized freight solutions without compromising quality.

COMPLIANCE EXCELLENCE

Complete documentation and customs expertise.

CUSTOMER-CENTRIC APPROACH

Every shipment receives dedicated attention.
